**Jarden Consumer Solutions Community Fund Approves \$292,000
in Charitable Grants in Fourth Quarter of 2008**

Employee-supported donations for year set new record at over \$768,000 dollars

BOCA RATON, Fla. — January 8, 2008 — Jarden Consumer Solutions (JCS) announced today that its JCS Community Fund has donated more than \$768,000 in 2008 — \$292,000 in the fourth quarter alone — to non-profit agencies in the communities where the Company's employees live and work.

“The employees of Jarden Consumer Solutions who make the JCS Community Fund possible know that in tough economic times, charitable organizations feel a bigger financial crunch with so much more need in the community and fewer donations,” noted Rocki Rockingham, JCS vice president, community relations and communications. “With this quarter, the JCS Community Fund has provided more than \$2 million in grants to charities since we started in late 2004. That is a testament to the generosity of our employees, who continually step up to help those in need.”

The South Florida organizations and amounts for which the JCS Community Fund approved grants during the fourth quarter of 2008 are as follows:

- **American Red Cross, Broward County Chapter**, received a \$25,000 grant to fully fund the agency's military communications programs in 2009.
- **Bethesda Hospital Foundation** received a \$17,313 grant to fully fund the hospital's purchase of a crash cart and surgical equipment for its pediatric unit.
